These clubs are in addition to the Academic Tutoring programme the Academy operates for selected students and the comprehensive Guild Programme (Wednesday's period 5) run to broaden horizons and extend knowledge. Guild offers include chess, sports, arts and cultural opportunities. There are also regular College Clash competitions to get involved in. Activities with a * are invite only.

Societies – If you have an idea for a club or activity you would like to see in the Academy, students can run their own **societies!** Come and see Mr McNally for further information.
