	Benchmark Task					Spring Assessment - Drawing, colour theory and Painting.		
	Enrichment, Careers & Trips	Career focus - Famous Artists Kandinsky, Mondrian, Picasso and Keith Haring. Photographers research - Eliot Porter. Careers in photography - Commercial photographer.	Understanding of how artist use colour in their work.	Art club every Tuesday P6				
	Photography	Landscape photoshoot using paper manipulation/collage to mimic different landscapes	Digital editing techniques using Photoshop	Digital editing techniques using Photoshop - digital collage	Sebastian Magnani formal elements breakdown, developing written analysis. Knowledge recall assessment - key terms, critical analysis, technical terminology and practical skills.	Assessment Feedback. Recall drawing in photography task.	Photoshoot inspired by Sebastian Magnani. Reflections in nature using shapes and composition.	
	Extended Learning	Wider reading - Careers in Photography - Commercial Photographer..	Mind dump on the formal elements in photography.	Watch 'Photoshop for beginners' tutorial.	Flash cards on core vocabulary.	Read Adobe article on how to take better photos.	Label diagram for DSLR camera parts.	
	Benchmark Task					Spring Assessment		
	Enrichment, Careers & Trips					Photographers research - Sebastian Magnani		
Spring 2	Week Commencing	23rd February	2nd March	9th March	16th March	23rd March		
	Art	Understanding of the formal elements of Art. Colour theory.	How to create gradients in colour drawings.	How to create gradients in colour drawings.	Watercolour techniques.	Watercolour painting part 2- composition and layering colours. Application and brush control.		
	Extended Learning	Wider reading - Careers in Art - Ceramicist.	Recall task 1	Colour theory task 1	Drawing task	Recall task 2		
	Benchmark Task					Spring Assessment - Drawing, colour theory and Painting.		
	Enrichment, Careers & Trips	Career focus - famous Artists Kandinsky, Mondrian, Picasso and Keith Haring.	Understanding of how artist use colour in their work.	Art club every Tuesday P6				
	Photography	Landscape photoshoot using paper manipulation/collage to mimic different landscapes	Digital editing techniques using Photoshop - digital collage	Sebastian Magnani formal elements breakdown, developing written analysis. Knowledge recall assessment - key terms, critical analysis, technical terminology and practical skills.	Assessment Feedback. Recall drawing in photography task.	Photoshoot inspired by Sebastian Magnani. Reflections in nature using shapes and composition.		
	Extended Learning	Wider reading - Careers in Photography - Commercial Photographer..	Mind dump on the formal elements in photography.	Watch Photoshop tutorial 1.	Flash cards on core vocabulary.	Watch Photoshop tutorial 2.		

	Benchmark Task					Spring Assessment -		
	Enrichment, Careers & Trips	Photographers research - Eliot Porter.Careers in photography - Commercial photographer.			Photographers research - Sebastian Magnani			
Summer 1	Week Commencing	13th April	20th April	27th April	4th May	11th May	18th May	
	Art	Introduction to Georgia Okeeffe	Tonal drawings - Looking at gradients of tone, texture, proportions, shape and form.	Tonal drawings - Looking at gradients of tone, texture, proportions, shape and form.	Creating a landscape painitng. Tonesand gradients of colour in paint. Looking at Georgia Okeeffespainting style and application.	Creating a landscape painitng. Tonesand gradients of colour in paint. Looking at Georgia Okeeffespainting style and application.	Creating a landscape painitng. Tonesand gradients of colour in paint. Looking at Georgia Okeeffespainting style and application.	
	Extended Learning	Drawing and Colour theory task	Wider reading Careers in Art - Art therapist.	Georgia Okeeffe obeservation 1	Georgia Okeeffe obeservation 2	Recall task on keywords	Georgia Okeeffe obeservation 3	
	Benchmark Task					Summer Assessment - Drawing and Painting		
	Enrichment, Careers & Trips		Career focus - Artist Georgia Okeeeffe. Careers in Photography - Photojournalist.	Natalie Ciccoricco	Art club every Tuesday P6			
	Photography	Digital editing techniques using Photoshop - spot healing & clone tool.	Physical editing technique - embroidery. Stitching into photograph to add texture.	Physical editing technique - embroidery. Stitching into photograph to add texture.	Final assessment - knowledge recall for both theory and practical skills.	Assessment Feedback. Photoshoot inspired by Anna Atkins - still life natural forms.	Digital editing techniques using Photoshop - digital cyanotypes.	
	Extended Learning	Label diagram for DSLR camera parts.	Wider reading - Careers in Photography - Photojournalist.	Mind dump on physical photography editing techniques.	Watch embroidery tutorial 1.	Watch cyanotype tutorial.	Complete photoshoot inspired by nature, using the formal elements.	
	Benchmark Task					Summer assessment -		
	Enrichment, Careers & Trips					Photographers research - Anna Atkins.		
Summer 2	Week Commencing	1st June	8th June	15th June	22nd June	29th June	6th July	13th July
	Art	Watercolour painting part 2- compostion and layering colours. Aplication and brush control.	Introduction to Georgia Okeeffe	Tonal drawings - Looking at gradients of tone, texture, proportions, shape and form.	CTTW	Creating a landscape painitng. Tonesand gradients of colour in paint. Looking at Georgia Okeeffespainting style and application.	Creating a landscape painitng. Tonesand gradients of colour in paint. Looking at Georgia Okeeffespainting style and application.	Creating a landscape painitng. Tonesand gradients of colour in paint. Looking at Georgia Okeeffespainting style and application.
	Extended Learning	Wider reading Careers in Art - Art therapist.	Georgia Okeeffe drawing 1	Georgia Okeeffe drawing 2		Recall task on keywords	Georgia Okeeffe obeservation 3	Recall task on keywords
	Benchmark Task					Summer Assessment - Drawing and Painting		
	Enrichment, Careers & Trips	Careers in Photography - Photojournalist.	Art club every Tuesday P6					
	Photography	Digital editing techniques using Photoshop - spot healing & clone tool.	Physical editing technique - embroidery. Stitching into photograph to add texture.	Physical editing technique - embroidery. Stitching into photograph to add texture.		Final assessment - knowledge recall for both theory and practical skills.	Assessment Feedback. Photoshoot inspired by Anna Atkins - still life natural forms.	Digital editing techniques using Photoshop - digital cyanotypes.
	Extended Learning	Wider reading - Careers in Photography - Photojournalist.	Mind dump on physical photography editing techniques.	Watch 'Embroidery for beginners' tutorial.		Watch 'Cyanotype's for beginners' tutorial.	Flash cards on embroidery techniques.	Complete photoshoot inspired by nature, using the formal elements.
	Benchmark Task						Summer assessment -	

	Enrichment, Careers & Trips	Careers in Photography - Photojournalist.				Photographers research - Anna Atkins.

## CURRICULUM MAP 2025 - 2026

Autumn 1	Week Commencing	1st September	8th September	15th September	22nd September	29th September	6th October	13th October	20th October
	Focus	Being Safe Online	Dangers of Phishing	Fake news	Keeping Children safe in Education Youth Produced Imagery	Number Bases Denary to Binary	Number Bases Binary to Denary	Introducing hexadecimal numbers	Introduction to ASCII ASCII Art
	Extended Learning	Venture vitals /KO Seneca assignment	Venture vitals /KO Seneca assignment	Venture vitals /KO Seneca assignment	Venture vitals /KO Seneca assignment	Venture vitals /KO Seneca assignment / Extended Reading	Venture vitals /KO Seneca assignment	Venture vitals /KO Seneca assignment	Venture vitals /KO Seneca assignment
	Benchmark Task							<b>Benchmarking</b>	
	Enrichment, Careers & Trips	Responsible use of technology and WWW. Using computers and digital literacy	Repurposing artifacts - writing a phishing style email	Explore morals, ethics and law surrounding cyberbullying and sexting.	Where to find information/ appropriate research	Computing club weekly		Career spotlight throughout - These topics feed into a multitude of CS careers.	
Autumn 2	Week Commencing	3rd November	10th November	17th November	24th November	1st December	8th December	15th December	
	Focus	Introduction to Logic Building Circuits	First Full assessment cycle	Feedback Cycle	Components of a Computer (I/O)	Basic Role of the CPU	What is RAM and ROM?	Saving to Secondary Storage	
	Extended Learning	Venture vitals /KO Seneca assignment	Venture vitals /KO Seneca assignment	Venture vitals /KO Seneca assignment	Venture vitals /KO Seneca assignment / Extended Reading	Venture vitals /KO Seneca assignment	Venture vitals /KO Seneca assignment	Venture vitals /KO Seneca assignment	
	Benchmark Task						<b>Benchmarking</b>		
	Enrichment, Careers & Trips	Understanding how computers interpret instructions		Computing club weekly	PC building simulator - building a PC as components are learnt	Career spotlight throughout - Hardware engineer , systems engineer.			
Spring 1	Week Commencing	5th January	12th January	19th January	26th January	2nd February	9th February		
	Focus	Building a PC from Scratch (Pc Building Simulator)	Algorithms - The importance of sequencing	Using Flowcharts to create algorithms	Decision making (Selection)	Finding errors	Problem Solving - Creating flow charts to independently solve a problem		
	Extended Learning	Venture vitals /KO Seneca assignment	Venture vitals /KO Seneca assignment	Venture vitals /KO Seneca assignment	Venture vitals /KO Seneca assignment / Extended Reading	Venture vitals /KO Seneca assignment	Venture vitals /KO Seneca assignment		
	Benchmark Task					<b>Benchmarking</b>			
	Enrichment, Careers & Trips	Fixing computers/ Performance upgrades and design	Problem Solving	Computing club weekly	Career spotlight throughout - Programming careers, software development, games design, app developer etc	Debugging/Testing	Problem solving		
Spring 2	Week Commencing	23rd February	2nd March	9th March	16th March	23rd March			
	Focus	Second Full assessment cycle	Feedback Cycle	Programming Identifiers and data types	Programming Sequencing (block based) Using scratch	Decision Making (Selection, Using blocks) Fable Robot Arms			
	Extended Learning	Venture vitals /KO Seneca assignment	Venture vitals /KO Seneca assignment	Venture vitals /KO Seneca assignment	Venture vitals /KO Seneca assignment / Extended Reading	Venture vitals /KO Seneca assignment			
	Benchmark Task					<b>Benchmarking</b>			
	Enrichment, Careers & Trips	Career spotlight throughout	Trip to NUA - including workshops, career paths talks. To take place during Spring term	Computing club weekly	Problem solving	Career spotlight throughout - Programming careers, software development, games design, app developer etc			

Summer 1	Week Commencing	13th April	20th April	27th April	4th May	11th May	18th May		
	Focus	Practical programming	Practical programming	Practical programming	Practical programming	Practical programming	Practical programming		
	Extended Learning	Venture vitals /KO Seneca assignment	Venture vitals /KO Seneca assignment	Venture vitals /KO Seneca assignment	Venture vitals /KO Seneca assignment	Venture vitals /KO Seneca assignment / Extended Reading	Venture vitals /KO Seneca assignment		
	Benchmark Task					Benchmarking			
	Enrichment, Careers & Trips	Practical programming covers key concepts of programming using block based programming language. Promotes problem solving skills and covers use of Block based IDE's and robotics	Career spotlight throughout	Computing club weekly	Controlling / programming devices	Controlling / programming devices	Controlling / programming devices		
Summer 2	Week Commencing	1st June	8th June	15th June	22nd June	29th June	6th July	13th July	
	Focus	Third Full assessment cycle	Feedback Cycle	Practical Computing	Practical Computing	Practical Computing	Practical Computing	Practical Computing	
	Extended Learning	Venture vitals /KO Seneca assignment	Venture vitals /KO Seneca assignment	Venture vitals /KO Seneca assignment	Venture vitals /KO Seneca assignment / Extended Reading	Venture vitals /KO Seneca assignment	Venture vitals /KO Seneca assignment	Venture vitals /KO Seneca assignment	
	Benchmark Task						Benchmarking		
	Enrichment, Careers & Trips	Career spotlight throughout	Computing club weekly	Using computers in a variety of ways. Including more programming and algorithms, using software, developing digital literacy	Using computers in a variety of ways. Including more programming and algorithms, using software, developing digital literacy	Using computers in a variety of ways. Including more programming and algorithms, using software, developing digital literacy	Using computers in a variety of ways. Including more programming and algorithms, using software, developing digital literacy	Using computers in a variety of ways. Including more programming and algorithms, using software, developing digital literacy

## CURRICULUM MAP 2025 - 2026

Autumn 1	Week Commencing	1st September	8th September	15th September	22nd September	29th September	6th October	13th October	20th October
	Focus	First Lesson (1) Numbers and The Number System 2 (1)	Numbers and The Number System	Numbers and The Number System	Number and the number system	Revision (3) Assessment (1)	Calculating (4)	Calulating	feedback (1) Calculating (1) Investigating properties of shapes (2)
	Extended Learning	Focus on previous week's learning with links to venture vitals	Focus on previous week's learning with links to venture vitals	Focus on previous week's learning with links to venture vitals	Extended reading from Venture Vitals	Focus on previous week's learning with links to venture vitals	Focus on previous week's learning with links to venture vitals	Focus on previous week's learning with links to venture vitals	Focus on previous week's learning with links to venture vitals
	Benchmark Task					Assessment			
	Enrichment, Careers & Trips	Career - Accounting	Career - Accounting	Career - Accounting	Career - Accounting		Career - Financial planner	Career - Financial planner	Career - Civil Engineer
Autumn 2	Week Commencing	3rd November	10th November	17th November	24th November	1st December	8th December	15th December	
	Focus	Investigating properties of shapes	Visualising and constructing	Algebraic Proficiency: Tinkering (4)	Revision (3) assessment (1)	Algebraic Proficiency: Tinkering (1) Exploring Fractions, Decimals and Percentages (3)	Exploring Fractions, Decimals and Percentages (3)		
	Extended Learning	Focus on previous week's learning with links to venture vitals	Focus on previous week's learning with links to venture vitals	Extended reading from Venture Vitals	Focus on previous week's learning with links to venture vitals	Focus on previous week's learning with links to venture vitals	Focus on previous week's learning with links to venture vitals		
	Benchmark Task								
	Enrichment, Careers & Trips	Career - Civil Engineer	Career - Civil Engineer	Career - astronomers		Career - astronomers	Careers - Baking and recipes		
Spring 1	Week Commencing	5th January	12th January	19th January	26th January	2nd February	9th February		
	Focus	Proportional reasoning	Pattern sniffing (3) Algebraic proficiency visualising (1)	Feedback (1) Algebraic proficiency visualising (2)	Revision (3) Assessment 1	Algebraic proficiency visualising (1) Investigating angles (3)	Measuring Space		
	Extended Learning	Focus on previous week's learning with links to venture vitals	Focus on previous week's learning with links to venture vitals	Focus on previous week's learning with links to venture vitals	Extended reading from Venture Vitals	Focus on previous week's learning with links to venture vitals	Focus on previous week's learning with links to venture vitals		
	Benchmark Task					Benchmarking Monday this week			
	Enrichment, Careers & Trips	Careers - Baking and recipes	Career - Atmospheric scientist	Career - Atmospheric scientist		Career - Atmospheric scientist	Career - painting and decorating		
Spring 2	Week Commencing	23rd February	2nd March	9th March	16th March	23rd March			
	Focus	Calculating FDP (4)	Feedback (1) Calculating FDP (3)	Calculating Fractions Percentages and Decimals	Revision (3) Assessment (1)	Solving Equations and Inequalities			
	Extended Learning	Focus on previous week's learning with links to venture vitals	Focus on previous week's learning with links to venture vitals	Focus on previous week's learning with links to venture vitals	Extended reading from Venture Vitals	Focus on previous week's learning with links to venture vitals			
	Benchmark Task								
	Enrichment, Careers & Trips	Careers - Baking and recipes	Careers - Baking and recipes	Careers - Baking and recipes	Career - business managers	Speakers in to talk about maths related careers			

Summer 1	Week Commencing	13th April	20th April	27th April	4th May	11th May	18th May		
	Focus	Calculating space (2)	feedback (1) Calculating space (3)	Calculating space (4)	Calculating space (1) Revision (1) Assessment (1)	Mathematical Movement (4)	Mathematical Movement (4)		
	Extended Learning	Focus on previous week's learning with links to venture vitals	Focus on previous week's learning with links to venture vitals	Focus on previous week's learning with links to venture vitals	Extended reading from Venture Vitals	Focus on previous week's learning with links to venture vitals	Focus on previous week's learning with links to venture vitals		
	Benchmark Task								
	Enrichment, Careers & Trips	Career - painting and decorating	Career - painting and decorating	Career - painting and decorating		Careers - Computer scientists	Careers - Computer scientists		
Summer 2	Week Commencing	1st June	8th June	15th June	22nd June	29th June	6th July	13th July	
	Focus	Feedback (1) Presentation of data (3)	Presentation of Data	Measuring Data	Work Experience	Measuring data (1) Revision (2) Assessment (1)	Ratio Problem solving	Functional Tasks	
	Extended Learning	Focus on previous week's learning with links to venture vitals	Focus on previous week's learning with links to venture vitals	Focus on previous week's learning with links to venture vitals	Extended reading from Venture Vitals	Focus on previous week's learning with links to venture vitals	Focus on previous week's learning with links to venture vitals	Focus on previous week's learning with links to venture vitals	
	Benchmark Task								
	Enrichment, Careers & Trips	Career - Data analysts	Career - Data analysts	Career - Data analysts					

Summer 1	Week Commencing	13th April	20th April	27th April	4th May	11th May	18th May	
	Focus	SECOND GUILD-Week 1	SECOND GUILD-Week 2	SECOND GUILD-Week 3	SECOND GUILD-Week 4	Safeguarding (3/3)	C-Community (Democracy & Elections)	
	Lesson Title						What is the Head of State's role?	
	Benchmark Task							
	Personal Development	Character Dev.	Character Dev.	Character Dev.	Character Dev.	Student Welfare	British Values: Democracy	
Summer 2	Week Commencing	1st June	8th June	15th June	22nd June	29th June	6th July	13th July
	Focus	C-Community (Democracy & Elections)	C-Community (Democracy & Elections)	C-Community (Democracy & Elections)		C-Community (Democracy & Elections)	C-Community (Democracy & Elections)	Summer Fete
	Lesson Title	How does the British government work?	What happens during a general election	What is 'First Past the Post'?		How do I choose who to vote for?	Should everyone get to vote at 16?	
	Benchmark Task							
	Personal Development	British Values: Democracy	British Values: Democracy	British Values: Democracy		British Values: Democracy	British Values: Democracy	

Faculty	Tools for Life
Year Group	Year 7

CURRICULUM MAP  
2025 - 2026

Autumn 1	Week Commencing	1st September	8th September	15th September	22nd September	29th September	6th October	13th October	20th October
	Focus		Getting to Know You and Organisation		Who's Who and Safeguarding		Friendships (Enhanced CASH)		Screening and Student Views
Autumn 2	Week Commencing	3rd November	10th November	17th November	24th November	1st December	8th December	15th December	
	Focus		Bullying		Understanding Emotions		Constructive Criticism		
Spring 1	Week Commencing	5th January	12th January	19th January	26th January	2nd February	9th February		
	Focus	New Year and Goal Setting		Recognising Emotions in Others		Internet Safety: Healthy Relationships (Enhanced CASH)			
Spring 2	Week Commencing	23rd February	2nd March	9th March	16th March	23rd March			
	Focus	Conversation Skills		Zones of Regulation		Keeping Healthy - Physical and Mental Health (Enhanced CASH)			
Summer 1	Week Commencing	13th April	20th April	27th April	4th May	11th May	18th May		
	Focus		Life Skills - Time		Life Skills - Money		Life Skills - Time and Money in Practice		
Summer 2	Week Commencing	1st June	8th June	15th June	22nd June	29th June	6th July	13th July	
	Focus		Preparing for Enrichment Week		Enrichment Week		Preparation for Year 8
