

Escalation Process Policy

Approved.....

Date for review: December 2026

Purpose of the process

In terms of internal governance arrangements, it is the responsibility of the head of centre to ensure that Ormiston Venture Academy has in place a written escalation process should the head of centre, or a member of the senior leadership team with oversight of examination and assessment administration, be absent.

This process confirms the main duties and responsibilities to be escalated.

This process also supports Ormiston Venture Academy being able to confirm to an awarding body the external governance arrangements so that the awarding body has confidence in the integrity of centre activities such as the delivery of qualifications and the conducting of examinations and assessments.

Head of Centre responsibilities across two centre's

The Head of Centre holds responsibility for more than one centre. Where the Head of Centre is unavailable due to absence or commitments at another centre, a named senior leader at Ormiston Venture Academy is authorised to act on their behalf for all matters relating to examination and assessment administration. The Head of Centre retains overall accountability in line with JCQ regulations.

After Examinations (Results and Post Results)

This escalation process applies where the Head of Centre is unavailable due to absence or commitments at another centre.

As a contingency, the centre has at least one senior member of staff (senior designated contact) who is available to manage emergency requests from awarding bodies that are results related during the summer holidays. The National Centre Number Register is provided with the senior designated contact details (this might include a personal mobile number and/or email address).

These are the contact details of someone who can be reached in an emergency if the centre is closed over the summer and who can mobilise resources to respond to the issue. (GR 3.18, 5.3)

In the event of the absence of the head of centre or the member of senior leadership with oversight of examination and assessment administration, responsibility for operational decision-making and the implementation of JCQ regulations and requirements relating to results and post-results activity will be escalated to a **named senior leader authorised to act on behalf of the Head of Centre**. Governors retain strategic oversight.

The centre also has in **place two members of the senior leadership team** who will act as an emergency point of contact for the awarding bodies. They have the authority to liaise across the centre and ensure that any issues, queries, raised by an awarding body are successfully resolved prior to the publication of results. This arrangement ensures continuity of escalation and decision-making where the Head of Centre is unavailable, including due to commitments at another centre. The head of centre is required to provide this information on an annual basis to the National Centre Number Team.
