## 1. Policy statement

- 1.1. Improving attendance is everyone's business. Every child of compulsory academy age is entitled, by law, to receive full time education and it is the legal responsibility of every parent to make sure their child attends school. Attending school regularly is not only essential for them to achieve well in their learning but it also helps them with their social and emotional development and overall well-being. Attending school regularly gives children the best opportunity to have wider and better life chances.
- 1.2. The academy recognises that some children find it harder than others to attend school. The academy will always seek to work in partnership with parents to understand any barriers to attendance and provide support to address these. Small dips in attendance can lead to more significant attendance difficulties that are harder to overcome. Therefore, the academy will always intervene early to understand the needs of children and families and put the right support in place as soon as attendance falls below the expected standard.
- 1.3. The academy will operate under the support-first model and will **expect** high standards of attendance, **monitor** attendance data, **listen** to children and parents to **understand** barriers, provide **support**, formalising it when necessary, and **enforce** attendance through statutory intervention, only when all other avenues have been exhausted.

- 1.4. This policy reflects the safeguarding principles set out in Keeping Children Safe in Education (KCSIE) 2026 and Working Together to Safeguard Children 2026, recognising that attendance is a key indicator of child welfare, risk, and need for early help. The academy adopts a culture of vigilance where absence is actively assessed as a potential safeguarding concern.

## 2. Legislation and guidance

- 2.1. This policy meets the requirements of the Department for Education's (DfE) statutory guidance on attendance: [Working Together to Improve School Attendance](#). Links to other relevant legislation and guidance can be found at Section 20.
- 2.2. The academy also aligns with safeguarding expectations outlined in Keeping Children Safe in Education 2026 and Working Together to Safeguard Children 2026, particularly in relation to attendance as a safeguarding indicator and the need for timely multi-agency intervention.
- 2.3. A child must start full time education once they reach **compulsory school age**. This is on the 31<sup>st</sup> December, 31<sup>st</sup> March or 31<sup>st</sup> August following their fifth birthday – whichever comes first. A child can leave full time education on the last Friday in June if they will be 16 by the end of the school summer holidays. They must then do one of the following until they are 18:

- stay in full-time education, for example at a college.
- start an apprenticeship or traineeship.
- spend 20 hours or more a week working or volunteering, while in part-time education or training

### 3. Attendance and punctuality expectations

- 3.1. Good attendance is actively promoted as part of a whole-school safeguarding culture, in line with KCSIE 2026 expectations.
- 3.2. This academy expects children to be in school, on time, every day unless they are too ill to attend or have an authorised absence. Attendance is often reported as a percentage. The following table shows how percentages equate to the number of days and lessons lost each year, how this would be graded and the type of support that would be put in place:

| Attendance % | Academy days missed per year | Number of lessons missed per year | Attendance grading | Possible action                                   |
|--------------|------------------------------|-----------------------------------|--------------------|---------------------------------------------------|
| 100%         | 0                            | 0                                 | Outstanding        | -                                                 |
| 98%          | 4                            | 20                                | Very good          | -                                                 |
| 96%          | 7                            | 25                                | Good               | Academy monitoring                                |
| 95%          | 10                           | 50                                | Almost there       | Academy support                                   |
| 94%          | 11                           | 55                                | Improvement needed | Academy support                                   |
| 90%          | 20                           | 100                               | Concern            | External support/referrals                        |
| 80%          | 29                           | 145                               | Serious concern    | External support / referrals /<br>penalty notices |

- 3.3. When a child arrives late to academy, even by a few minutes, they miss an important part of the academy day, which can include learning time, assemblies and teacher instructions. Children can feel embarrassed at having to enter the classroom late and it can disrupt the learning of others. This table shows how frequent lates can add up to a significant amount of lost learning:

| Minutes late per day | Academy days lost per year | Number of lessons lost per year |
|----------------------|----------------------------|---------------------------------|
|----------------------|----------------------------|---------------------------------|

|            |   |            |
|------------|---|------------|
| 5 minutes  | 3 | 15 lessons |
| 10 minutes | 6 | 30 lessons |
| 15 minutes | 9 | 45 lessons |

## 4. The academy day

4.1. The following table sets out the times of the academy day:

## 5. Authorised and unauthorised absences

- 5.1. The academy uses DfE attendance codes in line with statutory guidance and ensures coding is accurate, timely and regularly reviewed.
- 5.2. 'Authorised absence' means that the academy has either given approval in advance for a pupil of compulsory school age to be away from the school or has accepted an explanation offered afterwards as justification for absence. Please see codes below and the DfE's Working together to improve school attendance guidance for more information.)

| Authorised absence |                                                                                                                        |                    |

| X                  | Non-compulsory school age pupil not timetabled to attend                                                               | Authorised absence |

- 5.3. Pupils taken ill during the academy day If a pupil needs to be sent home due to illness, this should be by agreement with an appropriately authorised member of academy staff. In such circumstances, the pupil must be collected from the academy office by a parent/carer or another authorised adult (unless otherwise agreed between the school and the parent/carer) and signed out in the 'signing out' book or electronic equivalent. No pupil will be allowed to leave the academy site without parent/carer confirmation.

### 5.4. Religious observance

- 5.4.1 The academy acknowledges the multi-faith nature of the academy community and recognises that religious festivals sometimes fall outside of academy holidays or weekends.

- In accordance with the law, the academy will authorise one day's absence for a day exclusively set apart for religious observance by the religious body to which the parent/carer belongs – this will be marked with the R code. In line with the DfE's Working together to improve school attendance guidance, if necessary, the academy will seek advice from the parent/carer's religious body, about whether it has set the day apart for religious observance.
- Parents/carers should notify the academy in advance that their child will be absent for religious observance, so that the academy knows whether to expect the pupil into school or not. • If a parent/carer would like their child to be absent for an additional day, around a religious observance, they should contact the academy. The academy will consider each application individually taking into account the specific facts and circumstances and relevant background context behind the request. If additional absence is authorised, this will be marked with the C code.
- The academy will ensure a pupil is not penalised for absence due to days of Religious Observance, for example if using attendance rewards.

## 5.5. Mobile pupil - parent travelling for occupational purposes

5.5.1 A mobile child is a child of compulsory school age who has no fixed abode and whose parent(s) is engaged in a trade or business of such a nature as to require them to travel from place to place:

- The academy will authorise the absence of a mobile child who is unable to attend school because they are travelling with their parent in the course of their trade or business. This is subject to certain limits, depending on the child's age and number of sessions absent. The school will discuss cases individually with parents as necessary. Parents should let the school know of their plans as far in advance as possible.
  - The academy will not unnecessarily ask for proof that a parent is travelling for occupational purposes, this will only happen when there are genuine and reasonable doubt about the authenticity of the reason for absence given. If there is doubt, the school may ask for proof that the family are required to travel for occupational purposes during the period of absence.
  - To help ensure continuity of education for mobile children, when their parents are travelling for occupational purposes in England, wherever possible it is expected that children should attend a school where their parents is travelling and be dual registered at that school and at this academy, which is their 'main school'.
  - The T code, which is an authorised absence, will be used when mobile children are known to be travelling for occupational purposes, but it is not known whether the child is attending another educational provision.
  - When their parents are not travelling occupational purposes, mobile children are subject to the same rules as other children in terms of the requirement to attend school regularly.
- 5.6. Unauthorised absence is where the academy is not satisfied with the reason given for the absence, or where no reason has been provided. Please see codes below and the DfE's Working together to improve school attendance guidance for more information.)

| Unauthorised absence |                                                                                                |                      |
|----------------------|------------------------------------------------------------------------------------------------|----------------------|
| G                    | Holiday not granted by the school.                                                             | Unauthorised absence |
| N                    | Reason for absence not yet established.                                                        | Unauthorised absence |
| O                    | Absent in other or unknown circumstances.                                                      | Unauthorised absence |
| U                    | Arrived in school after registration closed (where an authorised absence code does not apply). | Unauthorised absence |

5.7. Unauthorised absence includes (but is not limited to) absences due to:

- Reasons which have never been properly explained to the academy
- Arriving at the academy after the register has closed. (Although late arrival for a reason such as a medical appointment will usually be an authorised absence – see section 7 for more information.)
- Birthdays
- Waiting at home for something to be fixed, or a parcel to be delivered
- Parent/carer's or sibling's illness (unless very exceptional circumstances apply and have been agreed in writing by the academy)
- Day trips, other than those organised by the academy
- Holidays in term time (unless exceptional circumstances are agreed in writing, in advance, by the academy)

5.8. Where the academy has genuine and reasonable doubt about the actual reason for a pupil's absence, staff may seek additional information or evidence from parents/carers regarding the absence, and/or make a home visit in to verify the reason. If the reason cannot be verified and the academy has cause to believe the reason given for absence may not be genuine, parents/carers may be asked to provide satisfactory evidence of the reason. If satisfactory evidence is not provided, the school may record the absence as unauthorised.

5.9. Unauthorised absences may result in legal intervention, usually penalty notices or prosecutions. See 'Penalty notices, prosecutions and education supervision orders' section for more information.

## 6. Reporting a child's unplanned absence

6.1. If a child is absent, parents must:

- **Contact the academy as early as possible, but before 08.20am, on the first day of absence, either by telephone on 01493 662966 or via email to [nbridges@ormistonventureacademy.co.uk](mailto:nbridges@ormistonventureacademy.co.uk)**
- **Call every day thereafter** to advise the academy of the child's progress.
- Send a note in on the first day of the child's return with a reason for the absence (even if a telephone explanation has been given) or call into the academy in person and ask to speak with a member of staff.

6.2. Absence due to physical or mental illness will be marked as authorised unless the academy has a genuine concern about the authenticity of the illness. Where there are doubts about the authenticity of the illness, the academy will ask for medical evidence, such as a doctor's note, prescription or note from a pharmacist, appointment card or other appropriate form of evidence. The academy will not ask for medical evidence without good reason.

- 6.3. If the academy is not satisfied about the authenticity of illness, the absence will be recorded as unauthorised, and parents notified of this.

## 7. Reporting a child's planned absence

- 7.1. Wherever possible, all appointments should be made outside of the academy day. If this is not possible, parents should ensure that children are out of school for the minimum amount of time necessary e.g. if an appointment can only be arranged for 11am, a child should be in the academy both before and after the appointment.
- 7.2. Planned absences for appointments should be reported to the academy as far in advance as possible by emailing [nbridges@ormistonventureacademy.co.uk](mailto:nbridges@ormistonventureacademy.co.uk)

## 8. Leave of absence during term time

- 8.1. In accordance with the DfE's [Working together to improve school attendance](#), there are very limited circumstances where the academy will grant a leave of absence during term time. These are:
- Taking part in a regulated performance or employment abroad
  - Attending an interview
  - A temporary, time limited part-time timetable (see section 18)
  - **Exceptional circumstances:** the academy may grant a leave of absence for exceptional circumstances at their discretion. This must be requested in advance by a parent who the child normally lives with. The academy will consider each application individually taking into account the specific facts and circumstances and relevant background context behind the request. If a leave of absence is granted, it is for the academy to determine the length of time the child can be away from the academy.
- 8.2. The law does not grant parents/carers the automatic right to take their child out of school during term time for holidays or other absence such as trips and visits. The academy will not authorise any leave of absence in term-time unless satisfied the reason for absence is exceptional. The academy will consider each application individually. A leave of absence is granted entirely at the academy's discretion. Parents/carers should not make plans to take their child out of school without making a request to the school first and the school gives permission for the absence. The request should be made by the parent/carer with whom the child normally lives.
- 8.3. Leave of absence will not be granted for a child to take part in protest activity during academy hours.

## 9. Key contacts for attendance

- 9.1 All academy staff are responsible for monitoring and supporting good attendance. However, the following members of staff provide specific oversight of attendance and/or can provide support to parents and children:

## 10. Following up unexplained absence

- 10.1. In line with KCSIE 2026, the academy will ensure that all unexplained absence is subject to a same-day safeguarding response, with risk assessed based on the child's known vulnerabilities.
- 10.2. Where any child the academy expects to attend does not, or stops attending, without reason, the academy will:

- Text the child's parent on the first morning of the first day of unexplained absence to find out the reason. At least two points of contact must be given to the academy for this purpose. If the academy cannot reach any of the child's emergency contacts, the academy may conduct a home visit or liaise with external agencies.
- If after three days of absence the child has not been seen and contact has not been made with the academy, all reasonable enquiries will be made by the academy to establish contact with the parent of the child, including making enquiries to known friends and extended family. In addition, a home visit will be made, by pastoral team to check the safety and wellbeing of the child and to find out the reason for absence.
- Children whom the academy assesses as being at greater risk of harm will receive safe and well checks on each day of absence. If a child has a social worker, the academy will notify them on the same day of any absence.
- Where a child has not returned to the academy for ten days after an authorised absence or is absent without authorisation for twenty consecutive academy days, they are considered to be 'Children Missing Education (CME)' (see [Children Missing Education](#)). The child may be removed from the academy admission register when the academy and local authority have failed, after jointly making reasonable enquiries, to establish the whereabouts of the child.
- Where a child is considered vulnerable (including those with a social worker, previous safeguarding concerns, or SEND), absence will trigger immediate escalation and enhanced safeguarding checks.
- The academy will notify the local authority when a child is removed from roll in line with statutory requirements.

10.3. In accordance with Working Together to Safeguard Children 2026, the academy will:

- initiate or contribute to early help assessments where absence indicates emerging need
- make timely referrals to children's social care where threshold is met
- share information proactively with safeguarding partners

## 11. Safeguarding

11.1. Poor attendance, including persistent absence, severe absence, irregular attendance patterns and children missing education (CME), is recognised as a key safeguarding indicator. In accordance with KCSIE 2026, the academy will treat absence as a potential signal of harm, including neglect, exploitation (including child criminal and sexual exploitation), mental health needs, and child-on-child abuse.

11.2. The academy will ensure that:

- attendance concerns are systematically triangulated with safeguarding information
- all staff understand the link between attendance and safeguarding risk
- children are listened to and their views inform safeguarding responses

11.3. Attendance data will be regularly triangulated with safeguarding data, including:

- children with a social worker (CP / CIN)
- early help involvement
- SEND and mental health indicators

This reflects expectations within KCSIE 2026 to ensure emerging risks are identified early.

11.4. Where children have or have had a social worker or need safeguarding, this will inform decisions about safeguarding support.

11.5. The academy is responsible for the safeguarding of children placed in alternative provision and for monitoring their attendance at alternative provision. This will follow the same process as for children attending the mainstream setting, including daily attendance checks and escalation where required.

## 12. Promoting and rewarding good attendance

12.1 The academy recognises that rewarding good and improved attendance should be carefully considered, to ensure it does not make pupils who have poor attendance, feel marginalised, worried or guilty about their low attendance rate, its impact on the pupil's own learning or the learning or rewards for the class as a whole.

12.2. The rewards used to acknowledge good and improved attendance at Ormiston Venture Academy include:

- Weekly celebratory texts/emails to parents
- Weekly celebration in College Collectives
- Postcards and certificates
- Termly celebratory event

12.3 The academy promotes good attendance to parents through:

- Text and email messages,
- Attendance flyer
- Letters home
- Letters from the Principal
- Use of academy social media to celebrate good attendance

12.4 The academy will regularly review any reward systems to ensure they are not negatively impacting on individual pupils or groups of pupils.

## 13. Attendance monitoring

- 13.1. The academy will use attendance data to identify any patterns of poor attendance so that barriers can be identified at the earliest opportunity and support put in place to prevent any issues worsening.
- 13.2. Weekly attendance will be monitored and analysed to see if there are any patterns or trends in the data that need further investigation and targeted support will be provided. The analysis will be shared with relevant staff e.g. class teachers, form tutors, heads of year, SENCO, designated safeguarding lead (DSL) who will be expected to explore any issues with individual children and provide appropriate support.
- 13.3. The attendance of groups of children (e.g. year groups, boys and girls, children with Special Education Needs and/or Disabilities (SEND), will be monitored and analysed by the academy at least half termly, termly and annually across the academy. This data will be compared with local, regional and national levels to identify any areas of focus for improvement, and a report shared with the governing body.
- Attendance data will be regularly triangulated with safeguarding data, including:
  - children with a social worker (CP / CIN)
  - early help involvement
  - SEND and mental health indicators
- This reflects expectations within KCSIE 2026 to ensure emerging risks are identified early.

## 14. Reducing persistent and severe absence

- 14.1. Persistent absence (PA) is when a child misses 10% or more of school, and severe absence (SA) is when a child misses 50% or more of school. For both PA and SA, the absence can be for both authorised and unauthorised reasons or a mixture of both.
- 14.2. In line with Working Together to Safeguard Children 2026, persistent and severe absence will be considered within the wider context of:
- family circumstances
  - unmet need
  - safeguarding risk
- 14.3. The academy will prioritise early help intervention, including:
- Team Around the Family (TAF) processes
  - coordinated support plans
  - multi-agency collaboration
- 14.4. Where absence persists, the academy will ensure escalation reflects safeguarding thresholds rather than solely attendance thresholds.

- 14.5. PA and SA will always be regarded as a significant concern. Absence for whatever reason disadvantages a child by creating gaps in their learning. It also means they miss out on important aspects of social and emotional development that contribute to their overall wellbeing and can be an indication of a safeguarding risk.
- 14.6. The academy will use attendance data to identify those children who are **at risk of becoming PA** and intervene early to identify barriers to good attendance. Strategies may include:
- Text message communication with parents
  - Student voice meetings with students to identify and resolve reasons for absence
  - Meetings with College Leaders
  - Meetings with parents and College Leaders
- 14.7. If a child meets the threshold for **persistent absence**, the academy will work in partnership with parents and the child to agree a voluntary early help plan. This may include referrals to and support from external services. Strategies may include:
- Support from the Mental Health Support Team
  - Signposting to other mental health support such as MAP, Kooth etc.
  - Seating plan amendments/set changes
  - Providing equipment
  - Offering support through an EHAP or Family Support/ Early Help
  - Support from the SEND Team – referrals for specialist assessment etc.
- 14.8. If a child meets the threshold for **severe absence**, the academy will intensify its support strategies. This will include referrals to and support from external services. Strategies may include:
- Consultation with the Local Authority Attendance Team
  - Offer of Family Support – Early Help/CADS
  - Support from Educational Psychologist
  - Liaison with external health professionals Attendance policy 12
  - Consideration of an EHCP application

- 14.9. Children who are persistently or severely absent will be prioritised for support. The academy understands that absence is often a symptom of wider issues a family is facing and will always seek to understand these barriers and provide support. Where that is not successful, or is not engaged with, the law protects children's right to an education and provides a range of legal interventions to formalise attendance improvement efforts. In addition, individual cases may be referred to Children's Social Care. Attendance legal intervention will only be used as a last resort and after all other avenues have been exhausted.

## 15. Legal intervention

- 15.1. This diagram sets out how the academy may progress to legal interventions once all other support strategies have been exhausted. In making any decision to use legal interventions, the academy will always consider the individual circumstances of a family on a case-by-case basis.

- 15.2. In some circumstances, the academy may feel it is appropriate to use an attendance contract. An attendance contract is a formal written agreement between a parent and either the academy or the local authority. It is not legally binding but allows a more formal written agreement to support where a voluntary early help plan has not worked. An attendance contract is intended to provide support and offer an alternative to prosecution. Further details on attendance contracts can be found in [Working together to improve school attendance](#).
- 15.3. If an attendance contract is agreed but the parent does not comply with its contents, the academy and local authority may proceed to an alternative course of action including legally binding interventions and ultimately a prosecution. Again, this will always be a last resort after every attempt has been made to secure engagement.

## 16. National framework for penalty notices

- 16.1. Penalty notices can be issued to parents as an alternative to prosecution where a child's absence is recorded as unauthorised and that absence(s) constitutes an offence. Penalty notices can only be issued by the Principal, or someone authorised by them, a local authority officer or the police.
- 16.2. While there is a national threshold for when it is appropriate to issue a penalty notice, the academy has a duty to consider each case individually in deciding whether this is an appropriate course of action.
- 16.3. The national threshold is 10 sessions of unauthorised absence in a rolling period of 10 school weeks. A school week means any week in which there is at least one school session. This can be met with any combination of unauthorised absence (e.g. 4 sessions of holiday taken in term time plus 6 sessions of arriving late after the register closes all within 10 school weeks). These sessions can be consecutive (e.g. 10 sessions of holiday in one week) or not (e.g. 6 sessions of unauthorised absence taken in 1 week and 1 per week for the next 4 weeks). The period of 10 school weeks can also span different terms or school years (e.g. 2 sessions of unauthorised absence in the Summer Term and a further 8 within the Autumn Term).
- 16.4. A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification during the first 5 days of a fixed period or permanent exclusion.
- 16.5. In deciding whether to issue a penalty notice, the academy will consider, on a case-by-case basis, whether this is the best tool to improve attendance or whether alternatives may be more appropriate. They will also consider any obligations under the Equality Act 2010 such as when the child has a disability.

Students attending other educational settings (AP etc)

Parents reporting absence at AP – systems and processes of the school still apply.

## 17. Supporting children with specific needs

- 17.1. Some pupils face greater barriers to attendance than their peers. These can include pupils who suffer from long term medical conditions or who have special educational needs and disabilities. In working with parents to improve attendance, we are mindful of the barriers these pupils face and will put additional support in place where necessary to help them access their full-time education.
- 17.2. If a child has an education, health and care plan (EHCP), the academy will communicate with the local authority where a child's attendance becomes a concern.

## 18. Part time timetables

- 18.1. In very exceptional circumstances, where it is in a child's best interests, there may be a need for the academy to provide a child of compulsory school age with less than full-time education through a temporary part-time timetable to meet their individual needs. For example, where a medical condition

prevents a child from attending school or another setting full-time, and a part-time timetable is used to help the child access as much education as possible and as part of a reintegration package.

- 18.2. A part-time timetable should not be used to manage a child's behaviour.
- 18.3. Part time timetables will be in place for the shortest time necessary and, unless there are exceptional circumstances, last no longer than 6 weeks. Formal written reviews will take place at least fortnightly and will include the child, parents and other professionals as appropriate.
- 18.4. The Principal (or another member of the senior leadership team authorised by them) will agree all part-time timetables. A lead member of staff with responsibility for monitoring the part-time timetable will be agreed, and they will provide information and updates to other relevant members of staff in the academy e.g. SENCO, DSL, pastoral team, as well as liaising closely with parents and the child.
- 18.5. A written agreement/plan between the academy, the child and the parent will be drawn up. It will record the details of the timetable including the proposed end date and responsibilities for safeguarding and review dates. Records of all review meetings will be added to the plan.
- 18.6. Where the child has a social worker, the academy will keep them informed and involved in the process.
- 18.7. If the child has an EHCP, the academy will discuss the part time timetable with the local authority so that any support package that is in place can be reviewed as swiftly as possible.
